Agreement & Release of Liability

The undersigned has been given authority to act for and be responsible for the Organization/Event (GROUP) making this application. The GROUP will see that

- (1) Weeki Wachee Christian Camp's (WWCC) facilities are not misused or abused.
- (2) that there is proper adult supervision at all times.
- (3) that all other terms of this Facility Use Agreement (FUA) are adhered to and followed.
- (3) that all facilities are used in conformity with all Rules & Policies of WWCC (see page 2).

The undersigned understands and agrees that the Group's Event is neither a conducted event nor a sponsored event of WWCC nor does this FUA establish an employer-employee relationship between the Group and WWCC. In addition, it is understood that WWCC will not exercise any physical or other control or supervision over the activities or operation of the Group's event, except when WWCC's facilitators have been requested for special activities. If such requests are made (see Page 2-Facilities & Services), then the Facilitator's control and supervision will be limited to the activities contracted.

The Group agrees to save, indemnify, and keep harmless WWCC against any and all liability, claims, judgments, or demands, including demands arising from injuries or death of persons (Group's employees, volunteers and Event participants included) and damage to property in which WWCC shall be named a defendant and which involves claims arising directly or indirectly from, as a result of, or in connection with the Group's use of the premises. It is the intention of the parties that the indemnity provided by this agreement provides for indemnity to WWCC for WWCC's own acts of passive negligence that solely or contributory cause liability to WWCC, but the Group is not indemnifying WWCC for WWCC's own acts of active negligence that solely or contributory cause liability to WWCC.

The camp is not a designated swimming area per the state of Florida. The camp is not responsible for injuries or death incurred while using these facilities. Each person or group must secure their own insurance. The injured person's insurance will be responsible for all cost incurred.
